OFFICE OF THE DIRECTOR OF FOOD SUPPLIES IN MYSORE, BANGALORE.

Circular dated 5th—6th August 1946.

No. B1. C. 30—46-47. Applications are being received in this office from the Managers of Religious and Charitable Institutions, Mutts and Community Hostels, requesting for permission to collect foodgrains as gifts from those interested and for their transport to the Institutions. Under Article 3 of the Articles of Food Acquisition (Harvest) Order, 1944, such transfers of foodgrains even by way of gift are ordinarily prohibited. But in view of the charitable objective in such cases and the fact that the foodgrains collected are out of the allowances made to individuals for their domestic consumption and thus go to reduce the strain on the general pool though on a small scale, the following instructions are issued for the guidance of all officers in dealing with such cases.

1. The persons or institutions interested in such collection should obtain the written permission of the Deputy Commissioner of the District before actually collecting the grain, either by way of alms or gifts. Such permission may be given by the Deputy Commissioners after ascertaining where the institution is located about the number of inmates in the
